

Puissance électrique

Puissance 4ième :

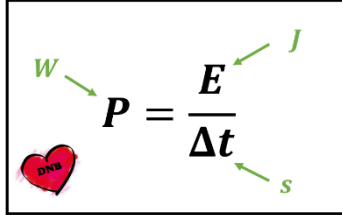

Diagram showing the formula $P = \frac{E}{\Delta t}$. Annotations include: a green arrow labeled 'W' pointing to 'P', a green arrow labeled 'J' pointing to 'E', a green arrow labeled 's' pointing to 'Δt', and a red heart icon with 'DNE' inside.

Puissance électrique 4ième :

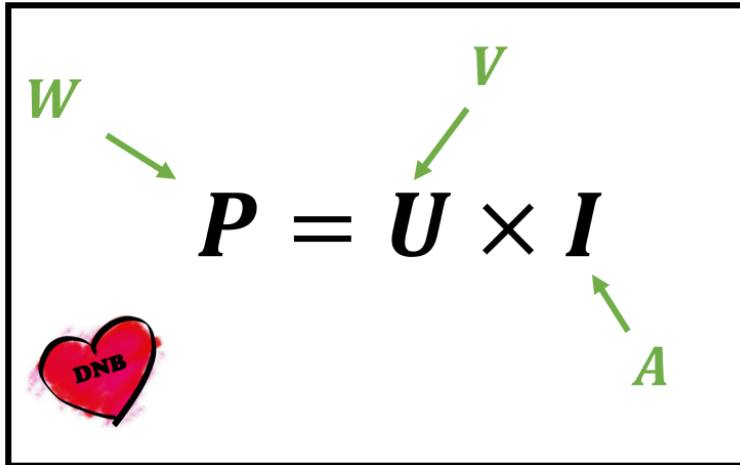

Diagram showing the formula $P = U \times I$. Annotations include: a green arrow labeled 'W' pointing to 'P', a green arrow labeled 'V' pointing to 'U', a green arrow labeled 'A' pointing to 'I', and a red heart icon with 'DNE' inside.

Autres formules :

Puissance	Tension	Intensité
$P = U \times I$	$U = \frac{P}{I}$	$I = \frac{P}{U}$
